Leaf Collection Tips

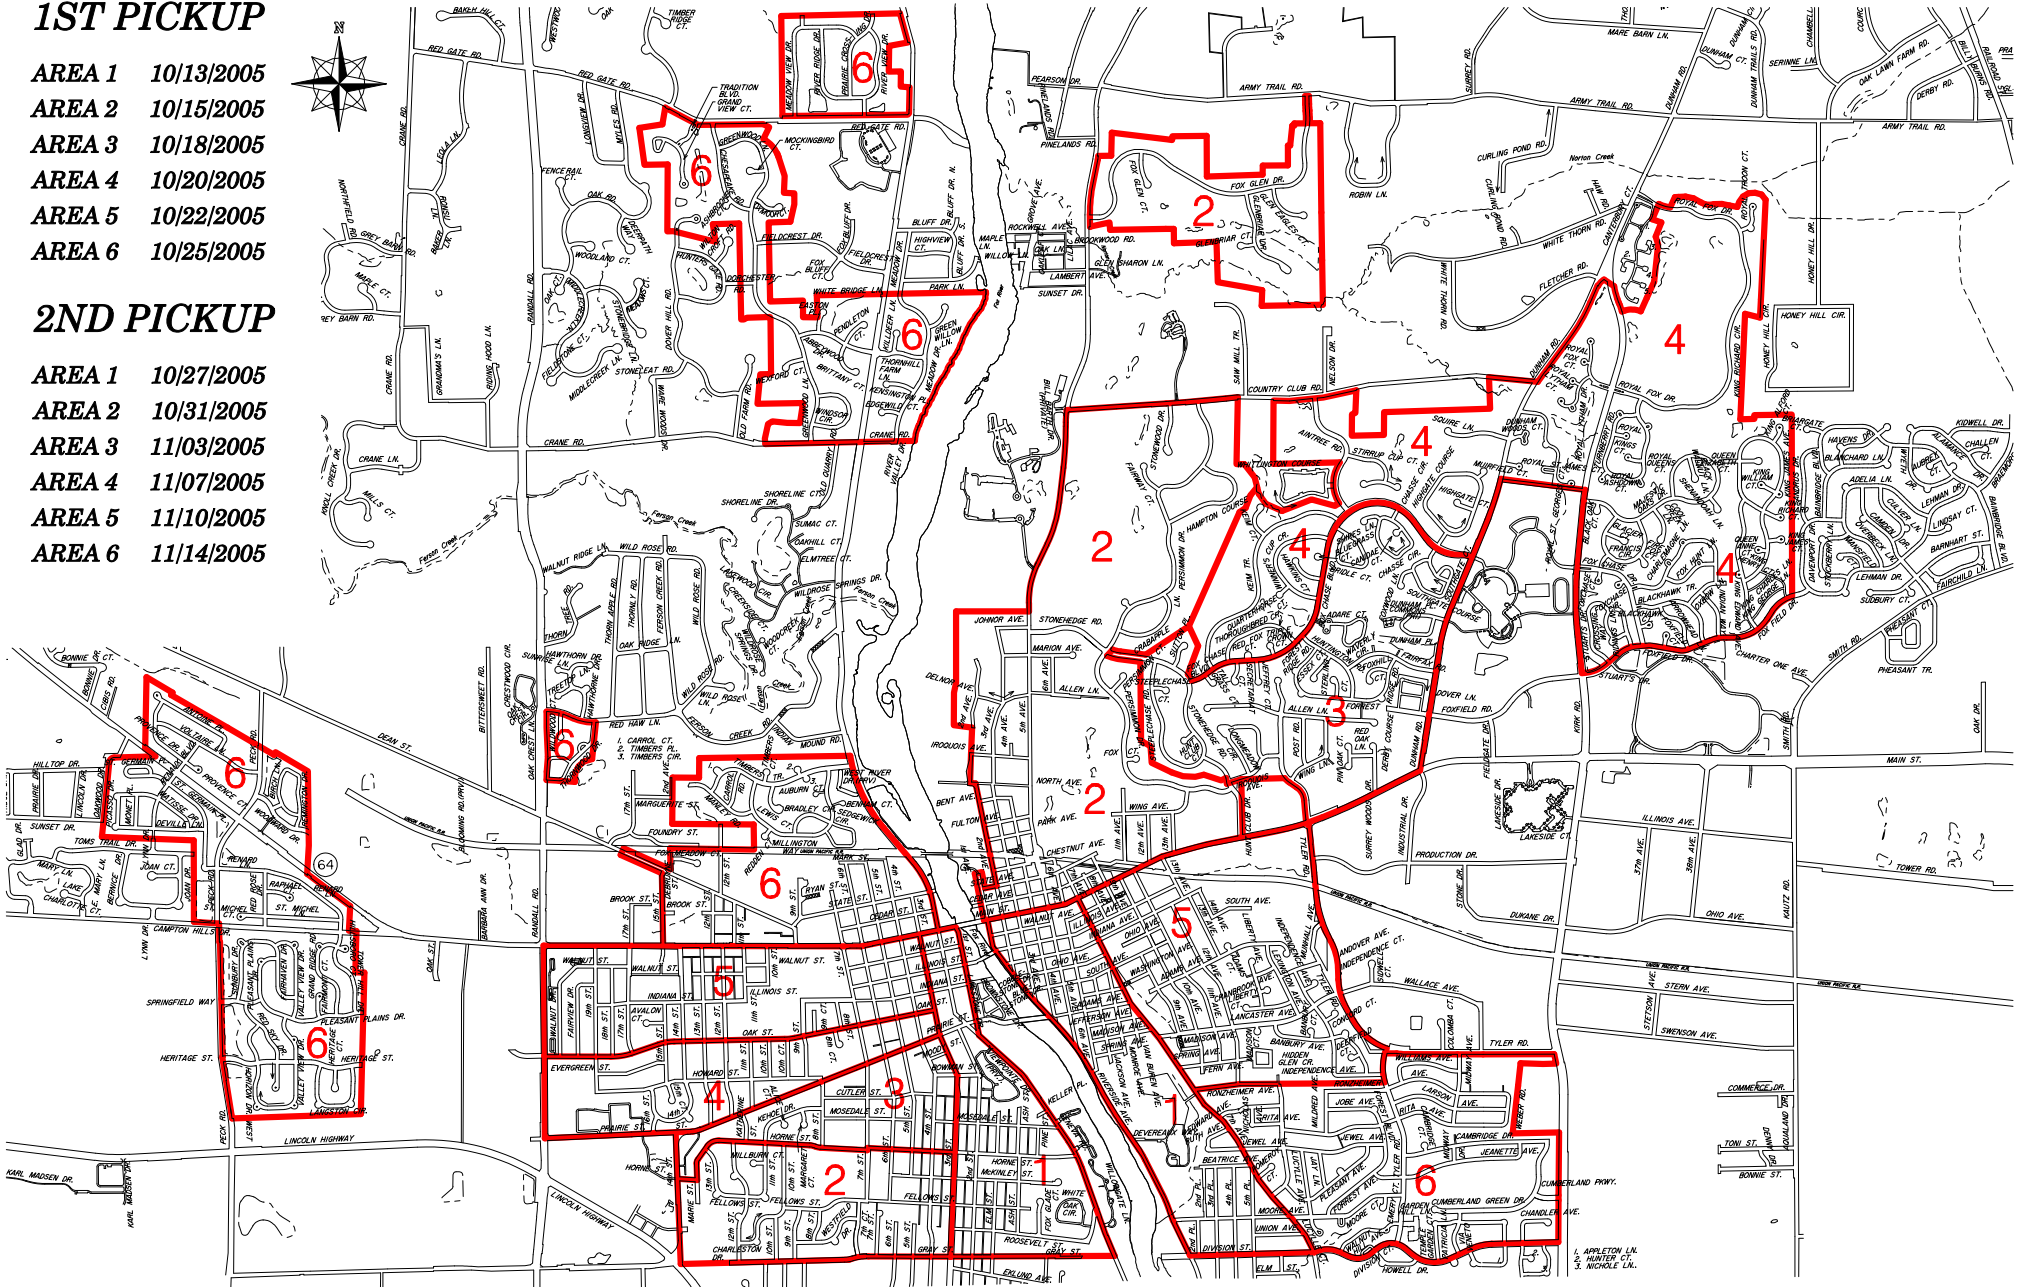

- Inclement weather or a large volume of leaves could alter the leaf pickup schedule.
- Leaf piles with vehicles parked in front of them will not be picked up.
- Leaves must be on the parkway by 6:30a.m. on your side's designated day.
- Rake leaves parallel to the street, ON THE PARKWAY, 1ft. from the curb and less than 1 ft. from the sidewalk.
- Pushing leaves into the street creates a hazard and is a violation of City Ordinance (12.04.170).
- Leaf piles will not kill grass, although they may cause it to discolor.
- Avoid raking foreign materials into leaf piles, as this could damage equipment or cause injury to personnel.
- Yard waste bag pickup ends December 31.
